Our Initiatives

media.connect brandenburg represents media companies from Brandenburg and the capital region. Its goal is the constitution of an area-wide media and ITC network in the state of Brandenburg. It concentrates activities with politics, science and education as well as a variety of professional knowledge. www.mediaconnect-bb.de

games:net connects the games industry in the capital region and supports big and small players with excellent contacts in business, politics and research. It represents, connects and supports big players as well as startups – and as a platform enables the dialogue to corporations, institutions, politics, science and universities. www.gamesnet-bb.de

BerlinBalticNordic.net is a business and networking platform for interactive media companies, with a focus on games, startups and digital media. The aim of the initiative is to connect the Berlin scene with the Baltic Sea and Nordic countries. www.berlinbalticnordic.net

production:net berlinbrandenburg is a platform of service providers from the film and TV industry as well as the studios in Berlin and Brandenburg. Big and small players profit from the dialogue at industry events, conferences and festivals. www.productionnet-bb.de

startup:net berlinbrandenburg connects startups and investors, the old economy, politics and institutions, universities and businesses. Events, trade fairs as well as established formats strengthen the digital economy and the regional business scene. www.startupnet-bb.de
