## **BERLIN.DIGITAL – AGGREGATING THE DIGITAL.BERLIN**

Berlin belongs to the worldwide most attractive heartlands for startups. In order to strengthen the location even further and to offer founders a better scope, berlin.digital unites the local entrepreneur scene.

With the impulses of the initiative, up-and-coming companies receive support with recruiting and onboarding of new employees.

Additionally, berlin.digital considers itself as a facilitator and representative of the industry: By attending networking events, startups and high-growth enterprises meet allies in the economy and in politics.

With strong partners, digital pioneers are thus enabled to surpass themselves.
